EDUCATION

UNIVERSITY OF PENNSYLVANIA | BA IN COMPUTER SCIENCE AND PHYSICS
College of Arts and Sciences | Expected May 2020 | Philadelphia, PA
Cumulative GPA: 3.71 • Dean's List (2016-2017)

SKILLS

TECHNICAL

Proficient
Python • OCaml • Java
Familiar
HTML • CSS • Git • \LaTeX

OTHER

Engineering
SolidWorks • 3D Printing • Laser Cutting
Miscellaneous
Microsoft Office

TECHNICAL COURSEWORK

CURRENT

Programming Languages and Techniques I (OCaml and Java) • Mathematical Foundations of Computer Science • Electrodynamics I • Quantum Mechanics I

COMPLETE

AP Computer Science • Honors Physics I and II • Calculus III (Linear Algebra and Differential Equations) • Partial Differential Equations • Introduction to Mechanical Design

WORK EXPERIENCE

DRNDIC LAB AT UNIVERSITY OF PENNSYLVANIA | RESEARCH INTERN

May 2017 - August 2017 | Philadelphia, PA

- Worked in a condensed matter physics lab. Experimented with the chemical growth of two-dimensional materials.
- Investigated the use of nanopores in two-dimensional materials for applications such as DNA sequencing and water desalination.

THOMSON LAB AT UNIVERSITY OF PENNSYLVANIA | HIGH SCHOOL INTERN

May 2016 - Aug 2016 | Philadelphia, PA

- Conducted instrumentation testing for a hardware update of CERN's Large Hadron Collider Experiment.
- Wrote software to clean data from testing of a hybrid controller chip.

PROJECTS

CODE FOR GOOD | HISPANIC STUDENT RECOGNITION PROGRAM WEBSITE

November 2017 | Wilmington, DE

- Selected to compete in the JPMorgan Chase Code for Good Hackathon in a team of five members.
- Built a website, implemented with the Django web framework, to field applications for the Latin American Community Center's Hispanic Student Recognition Program.

ACTIVITIES

PENN YALLA | BUSINESS MANAGER

Sept 2016 - Present | Philadelphia, PA

Manage budget and financial records for Penn's belly dance and drum group. Write and perform tabliah drum pieces for annual spring show.

UNDER THE BUTTON | STAFF WRITER

Jan 2017 - Present | Philadelphia, PA

Write and pitch articles twice a week for Penn's humor and satire blog.
